

# Change 2 Qualification for Board

There is an inconsistency between Article 3, Section 17 and Article 3, Section 4, Amendment 1. The former gives a meeting schedule that is not consistent with current practice.

“Active” is struck from Section 17 since it is never defined.

I have emphasized certain unchanged passages for convenience. ~~Deletions are mark thus.~~  
Insertions thus.

## SECTION 17. VACANCIES

.... The Board of Directors shall consider a person qualified to fill a vacancy if that person has been an ~~Active~~ SJAA Member for one (1) year, ~~or has attended three (3) bimonthly board meetings, or has attended six (6) monthly board meetings.~~ A person elected to fill a vacancy as provided by this Section shall hold office for the remainder of the office's term or until his or her death, resignation or removal from office.
